Chris, just an update following our "Enforcement Meeting" with Superintendent Dunlop and Superintendent Burnett et al:

Staff Sergeant Hull subsequently spoke to Insp. Springer of OPP Ground Operations, who indicates that OPP, **DO NOT** support the concept of enhanced enforcement of the Provincial Emergency Measures (EMPCA) at this time. There may be an opportunity to add the enforcement within a much wider operational plan being currently drafted at the RCMP NOC to dismantle the complete convoy at once. (I'm not privy to that plan)

Inspector Springer will be bringing the concerns through to his Superintendent who will advise M.I.C. Bernier ASAP.
